

## EXEMPTION TEST INFORMATION FORM

### CIST 2921 – IT Analysis Design and Project Management

A currently enrolled or accepted program student may receive course credit by passing the CIST 2921 exemption examination administered by the Gwinnett Technical College Assessment Center. The policy regarding Experiential Credit and Credit by Examination is in the College catalog.

The CIST 2921 exemption examination will cover these competencies:

- Introduction to Computers and Programming
- An Overview of Systems Analysis and Design
- The Role of the Systems Analyst
- Investigating System Requirements
- Identifying User Stories and Use Cases
- Domain Modeling and Use Case Modeling
- The Traditional Approach to Requirements
- Foundations for Systems Design
- Defining the System Architecture
- Designing the User Interface
- Designing the Database
- Approaches to System Development
- Project Planning and Project Management
- Project Management Techniques
- Object-Oriented Design: Fundamentals
- Object-Oriented Design and Deploying the New System

A student needs to score an 80% or higher on the CIST 2361 examination to receive exemption credit. Students are allowed 100 minutes to complete the online exam. A student may want to review the following textbook before taking the exemption exam: *Systems Analysis and Design in a Changing World, 7th Ed., 2015; Course Technology – Cengage; ISBN: 978-1-305-11720-4*

=====  
By signing this form I am stating I have read and understood the policy regarding the CIST 1305 exemption examination.

I am not enrolled in CIST 2921 nor have I taken the CIST 2921 exemption exam.
