Bioscience Technology Degree Competitive Selection Application Form

The Bioscience Technology program requires the following courses to be completed or in-progress by the application deadline. Each course must be completed with a minimum grade of C. In addition to earning a minimum grade of “C” in each course, an overall GPA of 2.5 must be earned in the required prerequisite courses. A student may retake a course, but only the most recent attempt will be considered in the selection process.

Please identify where and when each course was completed, and the letter grade attained or indicate the course is in-progress. If you repeated a required course, please list information related to the **most recent attempt only**. GTC must have an official transcript on file for each college previously attended. Please view your GTC academic transcript through Self-Service BANNER Web to find the dates and grades for specific courses completed with GTC.

***Remember to list all prerequisite courses completed. Mark as “in progress” the prerequisite courses you are currently enrolled in.** Complete the GPA calculation portion of the chart for completed courses only.
