Gwinnett Technical College

Radiologic Technology Competitive Selection Application

The Radiologic Technology program requires the following courses to be completed by the application deadline. Each course must be completed with a minimum grade of “C.” In addition to earning a minimum grade of “C” in each course, an overall GPA of 2.5 must be earned in the required prerequisite courses. A student may retake a course, however only the most recent attempt will be considered for the prerequisite GPA calculation used for this **initial screening process**. The **final selection process** will include additional criteria such as GPA calculations based on all attempted coursework, prerequisite GPA, Health Essay and ATI TEAS Exam results.

Please identify where and when each course was completed, and the letter grade attained. If you repeated a required course, please list information related to the **most recent attempt**. Gwinnett Tech must have an official transcript on file for each college previously attended. Please view your Gwinnett Tech academic transcript through Self-Service BANNER Web to find the dates and grades for specific courses completed with Gwinnett Tech.

*Course must have been completed within five years of the competitive program File Completion deadline.

- I understand this application, along with all course information and supporting documents must be received by the Enrollment Support Center in Building 100 by the application deadline.
- I understand **FYES 1000** (unless exempt) must be completed with a “C” or higher. Students are encouraged to complete this course prior to program start or will be **required to enroll the first semester** of the Radiology Technology program.
- I have attached an unofficial copy of my Gwinnett Technical College transcript which I have printed from www.gtc-web.org and I have confirmed that all courses and grades listed above are accurately reflected therein.
- I understand completion of prerequisite courses and meeting other minimum requirements does not guarantee selection to the Radiologic Technology program, as there are a limited number of seats available in the occupational and clinical courses. I understand candidate selection is based on a competitive selection process, including GPA calculations based on all attempted coursework, prerequisite GPA, Health Essay and ATI TEAS Exam results.
