The U.S. Department of Education established new requirements to prevent fraud and abuse in the federal programs by identifying students with an unusual enrollment history.

Many students with unusual enrollment history may have legitimate reasons for their enrollment history at multiple institutions. However, such enrollment patterns now require an institutional review to determine whether valid, documentable reasons exist for the unusual enrollment. This must be satisfactorily resolved by the institution before the student can receive financial aid. Students may also be selected for this process if they received a Federal Pell Grant and/or Federal Direct Loan(s) during the last four consecutive years but did not successfully complete the number of hours for which the Federal Pell Grant and/or Federal Direct Loan(s) was provided. Further information may be requested after initial documentation received has been reviewed.

In order to resolve this issue you must:

- Complete this form in its entirety; and
- Provide an official copy of all prior college transcripts to GTC Admissions for official evaluation.
- Go on line to the National Student Loan Data System (NSLDS) at [www.nslds.ed.gov/nslds_SA/](http://www.nslds.ed.gov/nslds_SA/) and print a copy of the institutions that you have attended while receiving aid. Attach the printout to this form; and

1. Have you enrolled at Gwinnett Technical College previously?  □ Yes  □ No
2. If yes, did you earn passing college credit while attending GTC?  □ Yes  □ No
3. If No to either question 1 or 2, please explain why you have decided to pursue a program at Gwinnett Technical College.
