Georgia Cares

As a part of Gwinnett Tech's preparedness objective, we want to provide everyone with a safe and healthy learning environment. With the increase of incidents on college campuses, schools and public places, it is increasingly important to have a plan for how to respond in an active shooter situation. Students and employees can help prevent and prepare for potential active shooter situations by viewing the "Run, Hide, Fight - Surviving an Active Shooter Event" video. The video will assist you in planning for your personal safety.
