History and Overview

Gwinnett Technical College has a rich history of providing education and specialized training that leads to workforce development. Since opening its doors as the Gwinnett Area Technical School in 1984, the College has added numerous programs, made two name changes, greatly expanded its facilities and experienced record-setting enrollment growth. All are the result of its primary aim to be the recognized provider of relevant knowledge to students and businesses for life.

Since its inception, Gwinnett Tech's purpose has been to provide students with an education that leads directly to a rewarding career. Throughout the years, it has relied on business and industry to play an integral part in guiding curriculum development and ensuring that what is taught in the classroom will keep students on the cutting edge of workplace demands. In the 1980s, business and industry experienced a vast change in technology. To meet the demand for technological training, Gwinnett Tech expanded its offerings to include a wider variety of high-tech programs. In 1988, the institution's name was changed to Gwinnett Technical Institute, aligning Gwinnett Tech with the network of state technical institutes under the Technical College System of Georgia (TCSG).

The following year, TCSG approved Gwinnett Tech to grant the associate degree of applied technology (AAT) in six programming areas, which paved the way for Gwinnett Tech to pursue accreditation with the Southern Association of Colleges and Schools Commission on Colleges. Gwinnett Tech gained accreditation in record time for state technical institutes, making it one of the few technical schools with this accreditation. Gwinnett Tech reached another benchmark in its history on July 6, 2000, when it changed its name to Gwinnett Technical College to reflect its position within the region's higher education market better. The name change was made possible by Georgia's A+ Education Reform Act of 2000, which allowed technical institutes with proper accreditation to be designated as colleges.

Over the past three decades, Gwinnett Technical College has expanded its campus to include a variety of new facilities. Significant campus additions in Lawrenceville include the George Busbee International Center for Workforce Development, which opened in 2003, and the D. Scott Hudgens, Jr. Early Education Center, which opened in 2006. In the fall of 2011, the College opened its new Life Sciences Center, which serves 3,000 annually and enables the College to both expand enrollment and offer additional programs in healthcare and life sciences. In June 2010, Gwinnett Tech's service area was expanded to include North Fulton County. Today, the College continues to expand offerings for residents and businesses there. In March 2015, construction began to build the first facility on the new 25-acre campus. The first day of class in the first building on the new campus was Wednesday, January 6, 2016. The College works on an ongoing basis with North Fulton high schools to offer Dual Enrollment opportunities and continues to offer Continuing Education and Adult Education classes at various community and company locations around the North Fulton area.

Today, Gwinnett Tech offers nearly 150 associate (AAS) degrees, diplomas and certificates in 40 programs areas and hundreds of continuing education seminars and workshops to improve job skills and provide specialized training. Our education and training programs – on both campuses – can be designed to help business respond to industry market dynamics. Gwinnett Tech is already a critical resource for the local, national and global technology, healthcare and service-based companies. Continuing education and adult education opportunities further strengthen our response to individual growth and workforce development. Business and industry leaders want a skilled workforce to drive the economy of this state. Gwinnett Tech is now one of the state's largest technical colleges and last year served more than 18,000 students through the College's credit programs, continuing education workshops and courses, and the adult education program.

Lawrenceville Campus	Alpharetta-North Fulton Campus

Space

Lawrenceville Campus
- 9,300 square feet total
- Public/common area (7,500 square feet)
- Five conference rooms for college-related activities; 1 Quiet room
- 1 Computer lab (800 square feet)
- Office and work room (1,000 square feet, 300 square feet for storage and materials processing)
- Open 62 hours per week during academic semesters
- 181 seats (includes high-top and lounge chairs, individual carrels and desks, and tables)

Alpharetta-North Fulton Campus
- 750 square feet total
- Conference room with PC & Wall-mounted Monitor (100 square feet)
- Office and work room (200 square feet)
- 1 adjacent computer lab
- Open 50 hours per week during academic semesters
- 30 seats (combination of lounge chairs, tables, counter)
- Self-check enabled; RFID collection security

Technology

Lawrenceville Campus
- 26 public/common area computer workstations with internet access
- 20 lab computers
- 13 laptops for faculty checkout
- Wireless Internet / Media viewing enabled computers
- Printer/Scanner/Copier; Projector

Alpharetta-North Fulton Campus
- 15 public/common area computers
- 30 computers in adjacent lab
- 6 laptops for student/staff checkout
- Wireless Internet / Media viewing enabled computers
- Printer/Scanner/Copier

Collection (Organized by Library of Congress Classification System)

Lawrenceville Campus
- Books: 13,394 Titles
- Media: 1,020 Titles
- Periodicals: 25 Titles

Alpharetta-North Fulton Campus
- Books: 1,440 Titles
- Media: 5 Titles
- Periodicals: 7 Titles

Cross-Campus Service & Resources

Services
- Gwinnett Technical College libraries are compliance with the American Disabilities Act (ADA)
- In-Person and Distance Education research assistance and instruction services provided
- LibGuides, LibAnswers, LibChat, LibWizard Tutorials & Assessments; LibCal Reservations
- Collection enhancement through Interlibrary Loan and new TCSG service "Tech Share"
- Borrowing arrangements with TCSG Libraries, Georgia Gwinnett College, and Gwinnett County Public Library
- Professional and/or MLS-degree instructors and research specialists available during all open hours

Electronic Collections
- ~557,493 eBook Titles
- ~89,438 Films on Demand and Academic Video Online (AVON) (streaming video titles)
- ~253 GALILEO subscription databases, 20 paid subscription databases

Policies concerning security and safety at Gwinnett Technical College can be found in the Course Catalog, under the "Student Information" section (http://catalog.gwinnetttech.edu/content.php?catoid=8&navoid=486).

Gwinnett Technical College police are present during normal operating hours. Police officers are responsible for a full range of public safety services, including all crime reports, investigations, and traffic control/accident reports, enforcement of laws concerning use of alcoholic beverages, controlled substances and weapons on campus, and all other incidents requiring police assistance or emergency medical care.

Each year, Gwinnett Technical College publishes specific crime-related information in accordance with the guidelines of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (formerly the Campus Security Act of 1990). This report is available in the office of the chief of security/campus police (Building 100, Room 808) as well as the College's website (http://www.gwinnetttech.edu/campus/campus-police).

Note: This report is run by home campus. A student is counted as only having one home campus per term, based on his or her primary major (Major 1). Duplication will occur when adding counts across all three terms in an academic year.

Increase in enrollment is due to the response to COVID-19 and changes in course delivery.

Fall-to-Fall Retention Rates by Program (Unduplicated)

Retention Statistics Fall-to-Fall Retention Rates Reporting Years 2019– 2021			
	2019	**2020**	**2021**
Fall Beginning Cohort*	1,764	1,759	1,999
Retained**	1,264	1,287	1,326
Retention Rate	**71.7%**	**73.2%**	**66.3%**

Source: KMS #TEC0200

*Fall Beginning Cohort consists of students that meet the following criteria:
    a) Regular admits only (no developmental, no provisional, no special admits)
    b) All major code levels, including those ending in zero (includes TCCs, Diplomas, Degrees, and also those students not in an award program)
    c) All student types except no high school (code H) and no transient (code A)
    d) First-time at that college either Summer or Fall (exclusive of previous high-school enrollment)
    e) Can be full time or part time
**Students from the cohort are counted as retained, in exactly one category using the following priority:
    (1) Graduated from this same college (or the administratively merged college, if applicable) in any program for any term during first or second year
    (2) Graduated from a different TCSG college in any program for any term during first or second year
    (3) Enrolled at this same college (or the administratively merged college, if applicable) in any program at least one term during second year
    (4) Enrolled at a different TCSG college in any program at least one term during second year
    (5) Enrolled at a USG (University System of Georgia) college in any program at least one term during second year, based on a National Student Clearinghouse data match

*All enrolled in an award program (TCC, Diploma, or Degree) and in at least one vocational course who left the College as a graduate or leaver (all leavers) during a 2-year period (the year shown and the previous year).
**Non-graduate leavers are students enrolled in the Fall semester in a program of study (major not ending in 00); not a special admit or transient student; did not graduate from that major during the academic year; and were not enrolled in that major in Spring and Summer semesters of the reporting year.
***Graduation Rate = Graduates / (Graduates + Non-Graduate Leavers)

NOTE: Placement rates are based on unduplicated graduates and unduplicated employment status using the latest employment status entry for each student. Rates are also based on prior year's graduates (e.g., AY2018 total placement rate is based on AY2017 graduates). Therefore, annual rates noted as 'N/A' means that the program did not have any previous year's graduates to track.

Continuing Education

Continuing Education is designed for students who plan to attend Gwinnett Tech to take non-credit courses, seminars, and/or specialty courses and do not wish to earn a degree, diploma, or technical certificate of credit. Gwinnett Tech offers hundreds of seminars, workshops, and short courses designed to boost students' careers, enhance skills, and enrich lives. Courses are offered on Gwinnett Tech's campus or at various community locations, with a wide range of online options as well.

*Retention is the measure of students from an academic year's "fall cohort" who graduate or re-enroll in any credit program at any TCSG or USG college during their first Fall term, any subsequent term that year, or the following year.

Note: A Fall cohort is comprised of credit enrolled students that meet the following criteria:

    a) Regular admits only (no developmental, no provisional, no special admits)

    b) All major code levels, including those ending in zero (includes TCCs, Diplomas, Degrees, and also students not in an award program)

    c) All student types except no high school (code H) and no transient (code A)

    d) First-time at the College either Summer or Fall (exclusive of previous high-school enrollment)

    e) Can be full time or part time

Students from the Cohort are counted as Retained, in exactly one category using the following priority:

    1) Graduated from the same college (or the administratively merged college, if applicable) in any program during any term from their first fall term to the summer term of the subsequent academic year

    2) Graduated from a different TCSG college in any program for any term from their first fall term to the summer term of the subsequent academic year

    3) Enrolled at this same college (or the administratively merged college, if applicable) in any program at least one term during the subsequent academic year

    4) Enrolled at a different TCSG college in any program at least one term during the subsequent academic year

    5) Enrolled at a USG (University System of Georgia) college in any program at least one term during the subsequent academic year, based on a National Student Clearinghouse data match

*Graduation Rate (%) = $\dfrac{\text{Graduates}}{\text{Graduates + Non-Graduate Leavers}}$

**Each student is reported as a graduate exactly once at the college level, once for each campus (If a student received an award at more than once campus, he or she is counted once for each of those campuses.), and once for each major (students are counted once for each award they received). Therefore, a sum of graduates by campus, or a count of graduates from the student details, will be more than the college's unduplicated total.

***Non-Graduate Leaver: during the two year period took 12 or more hours and did not graduate. Moreover, during the last term enrolled during the two-year period, the student was not a special admit, not transient, and their primary major was in a program major (not DV00, IA00, SP00 or TR00). The student had enrolled in at least one vocational course that was not subject 'SCT' and not 'COMP', and the student was not enrolled at that college both Spring Semester and Summer Semester of the second year. Students are reported as a leaver exactly once, based on their home campus and major the last term enrolled during the two-year period.
