National Suicide Prevention Lifeline
We can all help prevent suicide. The Lifeline provides 24/7, free and confidential support for people in distress, prevention and crisis resources for you or your loved ones, and best practices for professionals. We are committed to improving crisis services and advancing suicide prevention by empowering individuals, advancing professional best practices, and building awareness. For more information, visit our website.

Student Counselor on Campus!
Counseling at GTC is a mental health resource which provides free, personal and confidential counseling in a safe and supportive environment. The purpose of this resource is to help you acquire the skills, attitudes, abilities and insights that will enable you to address the all-too-prevalent stress and conflicts that may distract you from achieving your full potential. Student counseling services are available to all currently enrolled GTC students 18 or older in certificate, diploma or degree programs on first-come first-serve basis. For appointment call 678-226-6628 or visit our website for more information.

Crisis Text Line
Text HOME to 741741 from anywhere in the USA, anytime, about any type of crisis. A live, trained Crisis Counselor receives the text and responds quickly. The volunteer Crisis Counselor will help you move from a hot moment to a cool moment. Children and Teens are especially welcome. The service is free, confidential, and available 24/7. Please note that we are not a replacement for counseling or long-term medical treatment. Our goal is to help you move from an emotional overwhelming place to a sense of calm, at which point you feel ready to continue on your own. Learn more about how it works.

Georgia Crisis and Access Line
GCAL is the 24/7 hotline for accessing mental health services in Georgia. The Georgia Department of Behavioral Health and Developmental Disabilities (DBHDD) provides treatment and support services to people with mental illness and addictive diseases. If you or a loved one needs help dealing with a behavioral health crisis, the GCAL offers free and confidential crisis intervention 24/7. For more information, go to the Georgia DBHDD website.

Free OB Ultrasounds
Free OB ultrasounds are offered to GTC students. The Diagnostic Medical Sonography Program is seeking volunteers for OB ultrasounds preferably 18-32 weeks. Volunteers need to be prepared to stay for one hour and are scanned by GTC DMS students under direct credentialed faculty supervision. Volunteers receive FREE keepsake 3D images as well as the opportunity to see their baby in 4D. For more information or to schedule an appointment, please email OB Sonography or call 470-448-1211.

Assured Hospice Care Seeks Volunteers
Assured Hospice Care offers volunteers the opportunity to care for others and meet real companionship needs at a critical time in the lives of others. This happens in the homes of our patients or at assisted living facilities. Volunteers have the unique opportunity of giving the gift of time. The assistance and support this provides for a person in need is immeasurable. Volunteers will visit with patients and their family to provide companionship, visit with a patient to provide the caregiver/family member a chance to go to the grocery store or run errands, and assist with administrative and clerical task. We provide the training and visits are scheduled around your daily schedule and routines. You may volunteer a day a week, a few hours a week, or few hours a month. For more information call 770-387-9578 or contact Chelsea Lawrence.
