

Health Sciences Monthly INFORMATION SESSIONS

Gwinnett Tech offers outstanding career opportunities that help you emerge with real-work job skills. Each monthly information session offers an opportunity to interact directly with program directors and/or program faculty, ask your questions, understand how the program functions, and what path you have to follow in order to be successful. Sessions will also cover information such as job opportunities, career path advancement, how our programs incorporate classroom learning with hands-on learning in labs, and clinical or internship requirements.

Join us for a WebEx online virtual meeting.

A link to information session will be sent to your email address the day before the event. You must RSVP to the link provided at least one day prior to the meeting to get the WebEx invitation: <https://bit.ly/3hUkrel>

2021
