8.2 GT Corporate Training - Customized Training

Gwinnett Technical College offers customized training designed to meet the needs of business and industry. Topics are determined based on needs assessments and discussions with the client. This training can be held at Gwinnett Technical College or on-site for the organization.

Features include:

- Assistance with training needs assessment;
- Highly qualified instructors;
- Taught on-site (at a facility of choice) or at Gwinnett Technical College;
- Training designed for specific needs;
- Coordination of training activities; and
- Evaluation and follow-up on training objectives.
